

HOHMANN & BARNARD, INC.
A MiTek - BERKSHIRE HATHAWAY COMPANY

Flashing and Reglets CR - Concrete Reglet

DRAWINGS FOR ILLUSTRATIVE PURPOSES ONLY

Material Conformance:

Impact-resistant, rigid polyvinyl chloride tested in conformance with:

- ASTM D 1781 (Cell Classification)
- ASTM D 2240 (Hardness Shore D)
- ASTM D 638 (Tensile Yield & Modulus)
- ASTM D 790 (Flexural Strength & Modulus)

Features:

- Attaches easily to form for poured concrete conditions.
- Built-in face piece keeps mortar out as construction progresses, yet easily tears off prior to installation of flashing.
- Made of PVC
- 3/4" deep x 8 ft. long
